NPPA to ensure compliance of the price capping of the Primary Knee and Revision Knee along with maintaining its uninterrupted supply

Department of Pharmaceuticals vide its notification No. 31026/31/2017 – Pricing dated 18.09.2017 had invoked the powers under paragraph 3 of DPCO 2013 and directed companies:-

- i) To furnish the production figures for 2015-16,2016-17 and 2017-18;
- ii) To maintain production/import/supply of the orthopaedic knee implant systems at the same levels before August 2017;
- iii) To submit a weekly report on orthopaedic knee implant system produced and distributed.

Accordingly, NPPA has devised three excel formats for uniformity and also to enable the companies to submit the data, as enclosed as Table –A and Table B and Table C. The details of the same are as follows:

- i) Table A is to submit production/import/sales figures for the years 2015-16,2016-17 and 2017-18 upto july 2017.
- ii) Table B is to submit production/import/sales figures for the month of August 2017 in two parts. Part (i) from 01/08/2017 to 15/08/2017and part (ii) 16/08/2017 to 31/08/2017.
- iii) Table C is for submitting weekly report for production/import/sales of orthopaedic knee implant system.

NPPA has directed all manufacturers/ importers/ marketers of knee implant system to follow the direction of the Department of Pharmaceuticals and to submit one time report as per Table A and Table B and weekly report as per Table C.

Manufacturers/ importers/ marketers of knee implant system should send the soft copy of the report in excel format only to email id nihalepdric@nic.in and a hard copy of the same may be sent by post.

Non-compliance of these instructions shall be taken up for prosecution under relevant provisions of Essential Commodities Act.

Compliance of the price capping of the Primary Knee and Revision Knee along with maintaining its uninterrupted supply
