**19.07.2017**

**Status of Form-I applications for price approval of new drugs under Para 2(u) of DPCO , 2013 – Pending Form I application of new drug on account of incomplete documents/ information**

NPPA has observed that many of the applications are pending on account of documents from companies awaited.

NPPA has issued a list of Form I application pending on account of incomplete documents/ information as per annexure -I.

NPPA has given an opportunity to all companies to submit the requisite documents within 15 days failing which their Form I application may be treated as rejected without making any further communication in this regard.
