Filling of mandatory forms in respect of medical devices- Second Interactive session to be held on 27th January, 2017

NPPA organized an interactive session today for manufacturers/importers/marketers of coronary stents wherein The procedure for registration of the companies and its products and brief outline of procedures to fill Forms V (for medical devices) being developed by NIC was explained in detail.

NPPA will organize such another interactive session on 27/01/2017 (friday) at 12 noon at the Conference Room of NPPA for all manufacturers/importers/marketers of coronary stents and their authorized representatives who were not able to attend the interactive sessions held on 24/01/2017 can attend the interactive session.

The Confirmation in this regard may be sent through email at me.nppa2015@gmail.com.

NPPA has once again requested all the manufactures/importers/marketers of coronary stents to ensure that both the hard and soft copy of the data as per Form-V (**Copy enclosed**) are sent to NPPA on or before 31/01/2017. Those who have already submitted on the existing Form V also need to send the information in hard and soft copied as above.
