## IPDMS Compliance

NPPA has directed all pharmaceutical companies to register themselves on IPDMS and file all mandatory forms as required under DPCO 2013 **latest by 10<sup>th</sup> May 2017 positively**, failing which appropriate action against companies shall be initiated under the provisions of Essential Commodities Act, 1955 read with DPCO 2013.

A list of companies, who have not yet registered (based on PharmaTrac data) has also been uploaded on NPPA website.

Another list of manufacturers has also been put up on the website who are also directed to register on IPDMS if they are having any formulation license under Drugs and Cosmetics Act.

Pharmaceutical companies are requested to ensure that they comply with NPPA directions by 10 May 2017 as above.

01.Notice

02.List of companies not registered in IPDMS

List of companies having products mostly as Ayurvedic as per the information available in Pharma Trac Database.
