Revised guidelines for representation-display of draft version of proposed price Calculation Sheets for proposed revised/notified ceiling price/retail price on NPPA's website

NPPA has revised guidelines for representation against draft proposed Calculation Sheets (prior to Notification) of ceiling price/ retail price , in the interest of expedited price fixation of essential drugs (Scheduled medicines).

The Pharmaceutical companies shall now submit following supporting documents/ information relating to Price to Retailer (PTR) and Moving Annual Turnover (MAT) data for the month of August , 2015 duly attested with name, designation, mobile no, signature & Seal of the authorized officer of the company.

- (i) Copies of sample invoices to retailer ,
- (ii) Samples/ self attested copies of samples,
- (iii) Summary of all the invoices issued (giving details like Invoice No., Date, Name of Distributor & Retailer, Pack Size, PTR(excluding VAT), Discounts/ Free Goods,(if any) for the month of August, 2015 and
- (iv) Copies of supporting IPDMS submission alongwith the certificate to the effect that they have filed all the requisite forms for all their formulations online through Integrated Pharmaceutical Database Management System (IPDMS) with NPPA.

Companies which have already submitted representations are required to supplement their status through IPDMS by fax/ email (i.e. nppa@nic.in) positively by February 10, 2017 and inform accordingly, failing which such representations will not be considered and are liable to be rejected outrightly.

In cases where representation is made on the basis of discontinuation of any brand/pack size etc. the burden of proving this contention “ with verifiable documentary evidence’ lies with the pharmaceutical company.

NPPA has directed all the drug manufacturing/ marketing companies to comply with these instructions in entirety in order to ensure that their representations are properly considered.
